

1. Once registration opens, you can click on the [Registrations Open](#) button. This should generate a form.

NIWA South and East Auckland STEM Fair 2026 Registration

Project Details	
Project Category:	Category
Project Name:	
Description: <i>(up to 50 words describing your project)</i>	
Link to Video: <i>(optional)</i>	
Year Level:	Year
School:	School

2. Make sure students enter a brief and clear description of their project. The name of the project must match the title on the project board. This can be a funny, unique name that suits their project.
3. The next bit asks for student details. Please ensure students enter their **own/caregiver details** and **not** the details of the teacher. This ensures that we can contact the students and their caregivers for prizes and banking details. Each project must only be registered once.

Student 1 Details

Save

☐ I'm not a robot

4. Once the form is complete with necessary details, click on save and check the box for “I’m not a robot”.
5. An email will then be sent to the listed email/s with details of the entry. Please make sure this is read properly.
6. The email will also have two PDF’s attached:
 - a. One will have QR codes with that will need to be pasted on all of the items associated with the project - the board, logbook and any visual displays.

- b. A consent form that will need to be filled out if caregivers **do not** want their child’s photos/names being used on the Fair website.
